

Tri-Valley Charities Emergency Assistance

Tri-Valley Charities is a non-profit organization with limited resources and funds. We rely on donations from the community and are entrusted by the community to disburse those funds to help residents experiencing temporary hardships. This fund provides temporary relief to families or individuals once they have explored and exhausted all other possibilities of help from family, friends, savings, investments or other community funds. This fund is not an ongoing source of income for routine or monthly expenses. Assistance from the Emergency Fund will be on a one-time basis and not exceed \$1000 per person or family per year.

Applications are reviewed by the Emergency committee to ensure that the request is consistent with the policies of Tri-Valley Charities. The committee will review the requests and determine proof of need and then approve or deny requests for assistance. The Emergency Fund Committees' decisions are final. Applicants are then informed of the decision.

All funds distributed will be made in the form of a check and will be made directly to the party or entity to which payment is due. At no time will funds be distributed in cash.
